

## Jesse Saunders - "MADE 2 B BROKEN" (BR-0915)

On the heels of the 25<sup>th</sup> Anniversary of House Music Album is the MADE 2 B BROKEN compilation another Jesse Saunders presents album full of your favorite floor-fillers. Each one of these tracks has hit the charts and made you smile on the airwaves with that feel-good kind of force. The 1<sup>st</sup> step into the future of this legacy is this **25<sup>th</sup> Anniversary of House Music compilation** featuring the world's most influential House tracks and songs by its Chicago Pioneers...

The Originator is back again, this time to take you on a musical journey through Broken Hitz! Known as the "Originator" of House Music, Jesse Saunders wrote, produced, performed and mixed the **world's very 1st house record "ON and ON"** on his upstart record label Jes Say Records out of Chicago in 1984. Celebrating 25 years of House Music, Jesse continues to stay at the forefront and set trends with his next release of 2009, the MADE 2 B BROKEN album on **Broken Records**. Jesse has been featured in numerous documentaries, books and magazines including

the award winning "Put The Needle On The Record" and "Pump Up The Volume." He also wrote the definitive history with his book "**House Music...The Real Story.**"

On "MADE 2 B BROKEN," Jesse Saunders delivers some Funky, Groovin, Electro and Tribalistic House that will be sure to ignite the **Dance Floor, Power Radio and Mix Shows**. Going for **ADDS and REVIEWS IMMEDIATELY**. Your feedback requested promptly.
